1.	<p>Read the following passage and answer the questions.</p> <p>Arjun was a curious boy who loved exploring new places. During his winter holidays, he went to stay with his uncle in a small town near a forest. The place was peaceful and full of natural beauty. Tall trees, chirping birds, and fresh air made Arjun very happy.</p> <p>One day, his uncle decided to take him on a walk through the forest. As they walked deeper, Arjun noticed different kinds of plants and animals. He saw colorful butterflies, busy ants, and even a deer drinking water from a stream. His uncle told him that forests are very important because they provide homes to many animals and help keep the air clean.</p> <p>While returning, Arjun saw some people throwing plastic bags on the ground. He felt upset and asked his uncle why people harm nature. His uncle explained that some people are careless, but everyone should protect the environment. Arjun decided that he would never throw waste in nature and would also tell others to keep their surroundings clean. When he returned home, he shared his experience with his friends and encouraged them to plant trees and reduce waste.</p> <p>1. Where did Arjun go during his winter holidays?</p> <hr/> <hr/> <p>2.
