Dear Parents/ Students

Greetings of the day!

Congratulations on the successful completion of one more enriching academic session. We are thankful for your support & cooperation.

We are eagerly looking forward to initiate the upcoming session 2024-25 which is for sure going to be a grand learning experience for all as we are getting into the gradual implementation of NCF guidelines for school curriculum. We have always emphasized on activity based & experiential learning rather than rote learning.

The successful implementation of such pedagogical reforms can happen only when stakeholders of education system, Parents & Teachers & learners, cooperate and put in the required efforts.

Let's begin the session on a positive note and wish good luck to our future generation torch bearers, our young learners!

- **The new academic session for Classes III to XII (except XI) will commence on 03.04.24 (Wednesday).**
- Textbooks will be available in the first week of April.
- Note: We are switching over to Communicative English (X) & AI in Class IX from this session. Kindly purchase the books accordingly.
- **The new session for Foundation Stage will commence from 08.04.24 (Monday).**
- Parent Orientation Programme for Foundation stage (Nursery - II) will be held on 06.04.24 (Saturday).

School timings for FS will be notified later separately.

Certain things that need to be taken care of right from the beginning of the session:

1. Students must report to school in time and be regular.
2. Reporting time for the students (III-XII) is 7.30 a.m. & dispersal at 1.40 p.m.
3. As per CBSE guidelines, 75% attendance is mandatory.
4. Come to school in proper uniform. Uniform must be replaced in case the colour is faded or students have outgrown the size. Uniform samples were displayed during the PTM for reference.
5. Parent ID Card is mandatory for the new admissions. In case any parent has lost the parent card, an application may be submitted to the school office for a new one submitting all the details and an amount of Rs. 50.
6. Students must wear their ID card. New admissions will be issued ID cards in meantime. If students' ID card is misplaced/ damaged, an application to be submitted to the concerned CT for replacement.
7. Almanac must be brought to school daily and parents must check the almanac regularly for any messages from the teachers. Parents are also encouraged to communicate through messages in the almanac. All rules & regulations are also clearly mentioned in the same for reference.
8. Non-Gail Parents hiring vehicles for their wards should ensure that all the norms of school transport are fulfilled.
